GIRLS

I can't believe you came all the way out here to accuse me of being a witch! You know, I always knew your Aunt hated me but, I thought you were different. Now, I see you're just like everybody else in this horrible town. This is so much bigger than you. I have dealt with this town and their high and mighty ways long enough. We are going to teach them a lesson. One they won't easily forget.

This town has done nothing but hate me - just like your Aunt.

I'm going to burn this town to the ground, you hear? You may win today, but just know you won't get rid of me. I will follow through!
